

University of Tennessee, Knoxville | Sustainability-Related Undergraduate Programs

Majors

College of Arts and Sciences:

[Anthropology - Disasters, Displacement, and Human Rights Concentration](#)

[Biological Sciences - Ecology and Evolutionary Biology Concentration](#)

Geography

[Climate and Climate Change Concentration](#)

[Geospatial Science and Technology Concentration](#)

[Landscapes and Environment Concentration](#)

[Space, Society, and Culture Concentration](#)

[World Cities and Economies Concentration](#)

Geology and Environmental Studies

[Environmental Studies Concentration](#)

[Geology Concentration](#)

[Sociology - Environmental Issues Concentration](#)

[Sustainability](#)

Herbert College of Agriculture:

[Biosystems Engineering](#)

Environmental and Soil Sciences

[Conservation Agriculture and Environmental Sustainability Concentration](#)

[Environmental Science Concentration](#)

[Soil Science Concentration](#)

Forestry

[Forest Resources Management Concentration](#)

[Restoration and Conservation Science Concentration](#)

[Urban Forestry Concentration](#)

[Natural Resource and Environmental Economics](#)

Plant Sciences

[Organic Production Concentration](#)

[Sustainable Landscape Design Concentration](#)

[Wildlife and Fisheries Science](#)

Tickle College of Engineering

[Civil Engineering](#)

Environmental Engineering Concentration

Transportation Engineering Concentration

Water Resources Engineering Concentration

[Electrical Engineering - Power and Energy Systems Concentration](#)

Minors

College of Arts and Sciences:

[Climate Change Minor](#)

[Environmental Studies Minor](#)

[Geographic Information Science Minor](#)

[Geography Minor](#)

[Geology Minor](#)

[Sociology Minor - Environmental Issues and Globalization](#)

[Sustainability](#)

[Urban Studies Minor](#)

Haslam College of Business

[Social Entrepreneurship Minor](#)

Herbert College of Agriculture:

[Environmental and Soil Sciences Minor](#)

[Forestry Minor](#)

[Natural Resource and Environmental Economics Minor](#)

[Plant Sciences Minor](#)

[Watershed Minor](#)

[Wildlife and Fisheries Science Minor](#)

Tickle College of Engineering:

[Environmental Engineering Minor](#)

Popular Combinations (Major and Minor or Double Major):

Architecture and Sustainability-Related Program

Business and Sustainability-Related Program

Communications and Sustainability-Related Program

Economics and Sustainability-Related Program

Engineering and Sustainability-Related Program

Social Work and Sustainability-Related Program
